| Statistics II | 10822 | Lecture & Practical | 4 | Univ.-Prof. Dr. Andreas Christmann | 6/6/23, 2:00 PM, S 72 |

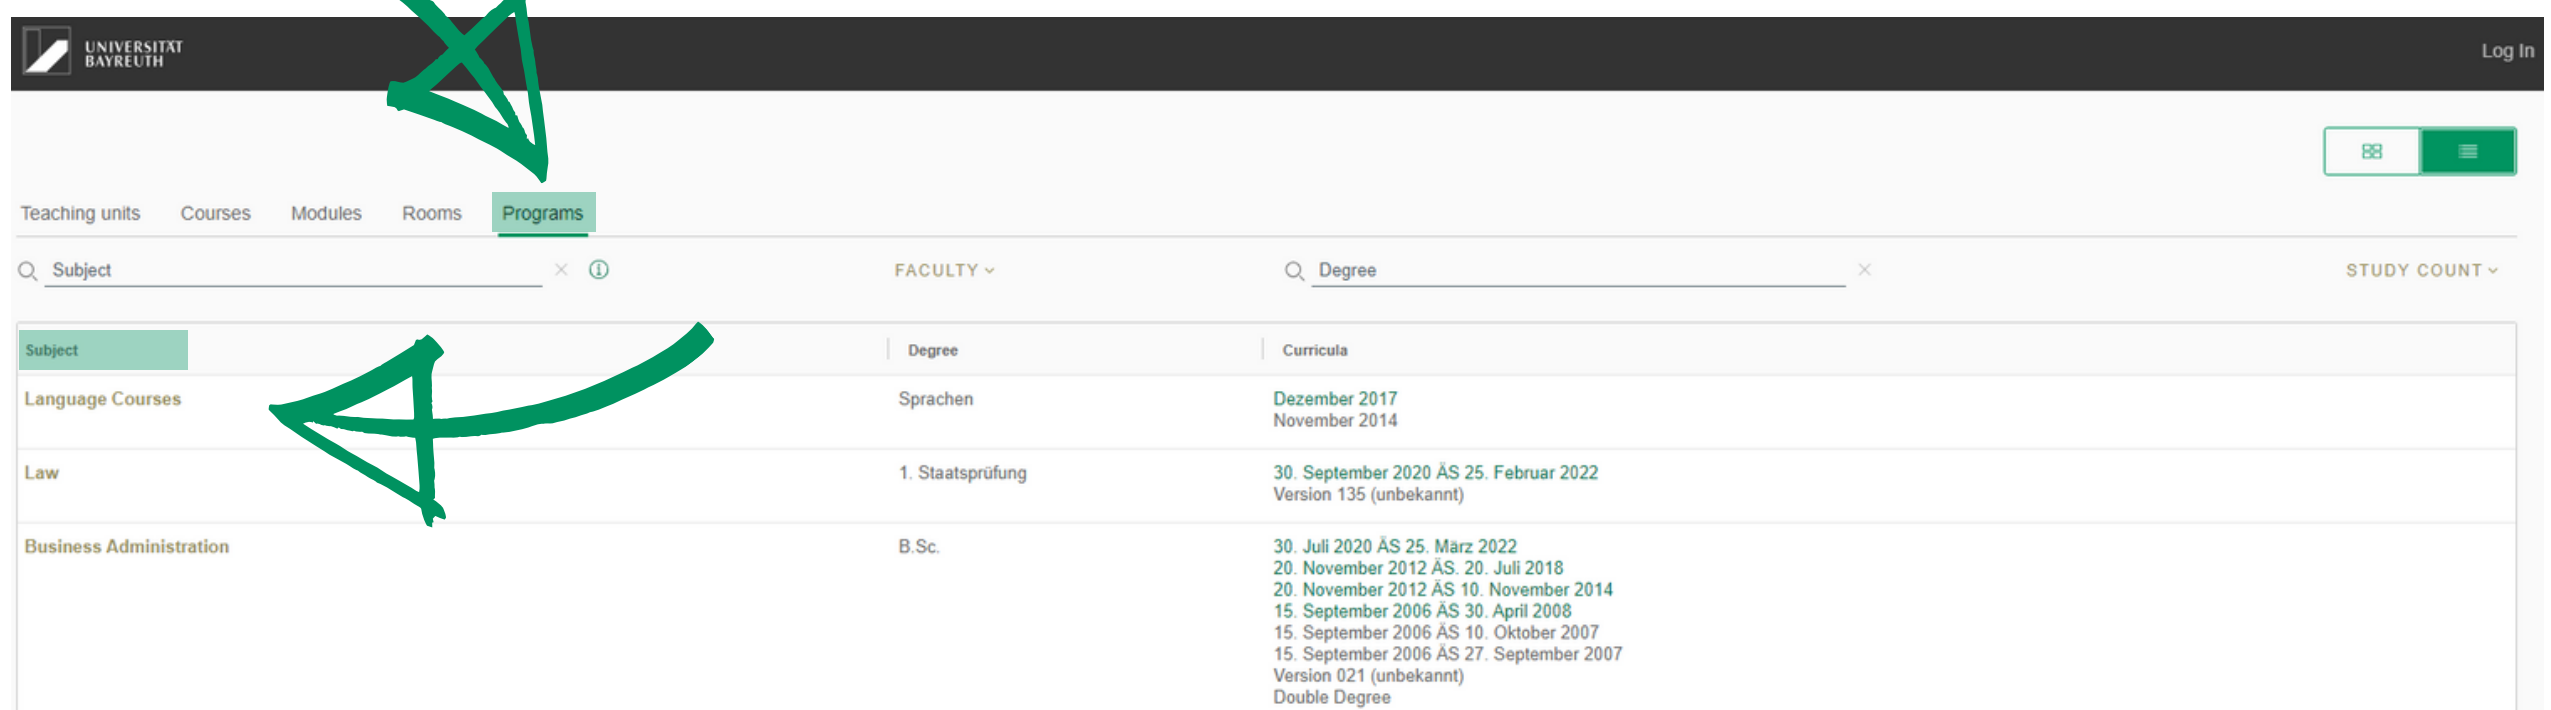

STEP 3:

In order to search more specifically, you can use the keyword search function. Keep in mind that the keyword search only shows results that have your keyword in their course title. The keyword search for subjects unfortunately sometimes only works with German keywords.

Please always use the course number which is listed in the column "code" to specify your course selection.

| Subject | Degree | Curricula |
|-------------------------|------------------|--|
| Language Courses | Sprachen | Dezember 2017 November 2014 |
| Law | 1. Staatsprüfung | 30. September 2020 AS 25. Februar 2022 Version 135 (unbekannt) |
| Business Administration | B.Sc. | 30. Juli 2020 AS 25. März 2022 20. November 2012 AS 20. Juli 2018 20. November 2012 AS 10. November 2014 15. September 2006 AS 30. April 2008 15. September 2006 AS 10. Oktober 2007 15. September 2006 AS 27. September 2007 Version 021 (unbekannt) Double Degree |

Alternatively, you can use the "Programs" section which is very useful in finding suitable courses because you can search by study level (e.g. B.Sc.) or a specific study programme.

Language courses can be found through the link "Language Courses".
