General Information

- The deadline for submitting a leave of absence request for a company start-up is 1 April for Summer Semester and 1 October for Winter Semester. Otherwise, the deadlines for submitting a request are as follows: 10 May for Summer Semester and 10 November for Winter Semester. The request for a leave of absence must be submitted on time with all required documents to the Student Administration Office (Studierendenkanzlei). A leave of absence cannot be granted for semesters that have already concluded.

- As a rule, a leave of absence should not last longer than two semesters. This does not apply to any leave of absence due to parental leave or in order to care for a relative. Any leave of absence for these reasons will not be counted toward the two-semester limit.

- A leave of absence due to an internship: the internship must last at least three months; if a compulsory or mandatory internship of at least three months is included in the standard period of study for your degree programme, the internship must last at least four months within a semester; the internship can be completed in Germany or abroad.

- Law students should read the information provided by Bavaria’s Office of Law Examiners (Landesjustizprüfungsamt): https://www.justiz.bayern.de/landesjustizprüfungsamt/

- A leave of absence due to parental leave is permissible up to the semester of the child’s third birthday. Please note the information under: https://www.familienrecht.uni-bayreuth.de/de/familienrechtes-studium/index.html.

- The effects of a leave of absence on examination requirements are to be determined on the basis of the relevant examination regulations and by asking the Examinations Office.

- During a leave of absence, you will not be able to complete coursework and examinations at the University of Bayreuth; this does not apply to repeating examinations or to cases of a leave of absence due to parental leave or caring for a relative.

- A semester on leave does not count as a semester completed in your current programme of study (Fachsemester).

- Before submitting your request, please ask the Bafög Office, child benefit authorities (Kindergeldkasse), your health insurance provider, and any scholarship providers about the implications of your leave of absence.

- All relevant offices, institutions, persons, and authorities who have received a copy of your confirmation of enrolment must be informed that you will be taking a leave of absence.

- Misuse of a certificate of enrolment constitutes a criminal offence.
