Registration for Language Courses summer semester 2020

The Language Centre will present information about its language programme at an induction session on 20 April 2020, 8.00-8.45 a.m., room ?, building ?. You must register via CAMPUSOnline for ALL language courses. Registration for courses remains open from 23 April - 03 May 2020 (please see link below).

Registration for assessment tests/interviews (Einstufung) opens on 09 October.

In order to log into CAMPUSOnline, you must have a valid user ID; you will find this on your student card. The Language Centre cannot issue CAMPUSOnline user names. Please check your registration status after each transaction by logging into your CAMPUSOnline account. Should you accidentally deregister from a course, this transaction will nonetheless be held valid and, for reasons of fairness, your place will be forfeited. Access to CAMPUSOnline is via https://campusonline.uni-bayreuth.de/ubto/webnav.ini

If you wish to register for English courses, you are required to attend an assessment interview (Einstufung). Please show certificates if existent. You must register for an assessment interview via CAMPUSOnline. Assessment is NOT required for admission to the following English courses: Business English I & II; English for Academic Purposes 1; English courses for (registered) students of Anglistik/Lehramt Englisch, International Communication in English: Foundation and English for the workplace.

If you wish to take French courses you must first register via CAMPUSOnline for assessment (Einstufung). Registration for assessment is required EVEN IF you have had no previous instruction in French, i.e. you are an absolute beginner! Please show certificates, if existent.

If you wish to register for a course in a language other than English or French and have had previous instruction in that language (e.g. at school or university) you must first take an assessment test (Einstufungstest); registration for the test is only possible via CAMPUSOnline. Please note that if you register for an ab initio course – ‘Grundkurs 1’ – you may be required to provide confirmation that you are a beginner (e.g. by submitting your school-leaving certificate); if it established you have had previous instruction in the language you will not be permitted to remain in the beginners’ course.

You can also be exempted from Grundkurse on the basis of certificates: see ‘Befreiung von Kursen’ at http://www.sz.uni-bayreuth.de/index.php?id=50

If you wish to attend German courses you must first take an assessment test (Einstufungstest) unless you have already completed German courses at the Language Centre or have been exempted from a course by the head of the German Department, Frau Dr. Richter.
